PRESS RELEASE 15 March 2007

PIPER ALDERMEN VOTED BEST SOUTH AUSTRALIAN FIRM

Piper Alderman is proud to be recognised as an outstanding legal services provider and voted **Best South Australian Firm** in the 2007 BRW St George Client Choice Awards announced today.

The awards commend professional services firms including lawyers, accountants, engineers and consultants and are voted by those who really count – the clients. This year over 20,000 buyers of legal services voted in the awards rating the performance of more than 160 firms.

Managing Partner Gordon Grieve said:

'Although Piper Alderman is a truly national firm with offices in Sydney, Brisbane, Melbourne and Adelaide, we're honoured by the loyalty and support of our South Australian clients.

This award comes on top of an exciting period of growth for the firm winning national panel appointments like ANZ Bank and Telstra and working on significant projects such as defending Coopers Brewery from a hostile takeover bid by Lion Nathan and assisting Beach Petroleum in their acquisition of Delhi Petroleum".
